What is the difference between spring and fall ball?

Little League Fall Ball is a continuation of the Little League Program that allows players to participate in a less competitive, more developmental environment during the fall season. The fall season offers a great opportunity for player development and allows players to continue playing the sport they love.

What if I miss the registration deadline?

The late fee will be applied. If all the available spots for a division are full you will be put on a waitlist until a spot opens up.

Why are there evaluations?

Player evaluations are only held for players interested in playing AAA and above. Evaluations are an important part of the team formation/draft process to help us achieve CDO Little League's objectives of placing players at the appropriate skill level (division), achieving team parity, and compliance with Little League International rules. It also helps create a memorable, fun, and fair playing environment for all players. Evaluations are not a tryout--all registered players are placed on a team regardless of skill level.

NOTE: No evaluations are done for the Fall Season.

What paperwork do I need for registration?

All players will need:

- Medical Release Form
 - need Insurance info
- Proof of residency either in the form of:
 - School Verification Form
 - 3 Documents from the groups outlined on the Residency Checklist

Frequently Asked Questions

(Updated November 2025)

***All Stars** - Players that are eligible for and plan to try out for All Stars will need to have their **original** Birth Certificate available for All Stars certification if they make the team.

What can I expect for time commitment?

Expect 2 weekday practices per week to start and then 1 weekday practice, 1 weekday game and 1 Saturday game once games begin. Traditionally the lower divisions (Tee Ball, Coach Pitch & Mini Minors) have the early practice slots starting at 5pm. Upper divisions (Minors AA and above) generally have practices that begin at 6pm or 7pm, depending on field availability. Practice start times are generally consistent with game start times that will occur for each division and are also consistent with other league start times to allow for interleague play (if necessary).

When will I know the practice days?

Several things need to be taken into consideration when creating the practice schedule. Practice schedules cannot be created until registration closes, teams are formed, we have coaches availability and how we can utilize field space. Practice schedules are typically released the week prior to practices being held

How long are practices/games?

Practice is the same length as a game:

Tee Ball: 1 hour

Coach Pitch: 1.5 hours

AA & up: 2 hours

When will I know the game schedule?

We work to get this out as quickly as we can. There are a lot of moving parts when working with the Town of Oro Valley as well as other leagues (if interleague play is necessary). The goal is to minimize schedule issues throughout the season. You can expect game schedules 1-2 weeks before games begin.

Who fills out the Medical Release Form?

The MRF is filled out by the players' parent/guardian.

[You can access the MRF here.](#)

Do I need a physical to play?

No, we do NOT require a physical to play.

How do I know what division my child should play in?

Once you have started the registration process, a list of available programs will show for the player. For most players, only one division will show. If two choices are available, you can either play up or down depending on their skill level. In Spring season, players who are league age 8 and up will participate in the evaluation process in February. Players will then be placed in a division best suited for them.

How do I know if I live in CDO LL's boundaries?

You can use this link to check: [League Finder](#)

Are coach and player requests honored?

While not guaranteed, we do our best to honor as many requests as possible for tee ball and coach pitch, while ensuring all the teams are balanced competitively. We understand that many parents rely on friends and teammates to get to practices/games on time. For upper divisions (AA and above), these requests cannot be honored.

What schools are in your boundaries?

Casas Christian School
Cross Middle School
Donaldson Elementary
Harelson Elementary
Immaculate Heart
Mesa Verde Elementary
Pusch Ridge Christian Academy
St. Elizabeth Ann Seton
Wilson K-8

What do I need for the first practice?

To begin practices players will need:

Baseball/athletic pants
Ballcap/Visor of players choice
(game day uniform colors will be assigned by your coach for specific color pants, belt & socks)
Cleats
Glove
Water bottle

Suggested Items for Boys:

Athletic Supporter (for Minors baseball and above)

Optional Items:

Batting Helmet
Batting Gloves
Bat – must meet USA Baseball standard ([review Little League bat regulations here](#))

The league will provide a team helmet and catchers gear for each team.

Game Day Uniforms:

After coaches receive jersey assignments they will inform the team of what color pants, socks, and belts will need to be purchased to complete the uniform. Jersey assignments are anticipated to be given 2-3 weeks after practices begin.

Frequently Asked Questions

(Updated November 2025)

What is included with my registration?

The league will provide a jersey and hat. Registration also covers field time for all games and practices as well as umpires for upper divisions.

Can I get a refund if the schedule does not work for my family?

Yes. Refunds can be issued up until the 1st scheduled practice.

Why does CDO LL use Youth Umps?

CDO LL is committed to the development of youth in our community. We believe giving youth an opportunity to participate in Little League in a different capacity helps foster community engagement while challenging these youth as they face making on-the-spot and sometimes difficult calls, allowing them to grow their confidence on and off the field. Interested in umpiring? Contact umpire@cdoll.org

Do you offer scholarships for player registration?

Yes! Thanks to donations from individuals and businesses in our community, the CDO LL Scholarship Fund is available to qualified families to cover a portion or all registration fees. Please contact president@cdoll.org for more information.

I experienced an in-game issue I'd like to report. Who can I speak with?

Please direct any questions or concerns regarding rules or game-time situations to your respective Division Commissioner:

Tee Ball & Coach Pitch: Ryan Lush | 520-982-4575

AA: Christopher Cassani | 781-799-8188

AAA: Brett Humpal | 319-594-0120

Majors & 50/70: Brent Shawver | 520-405-1630

Does CDO LL keep birth certificates on file?

CDO LL does not keep birth certificates on file. Little League International recommends that leagues verify proof of age documentation at the time of registration but does not recommend keeping copies of birth certificates on file. It is the responsibility of each local board of directors to ensure that all participants meet age and eligibility requirements. Copies of birth certificates are no longer required to be carried with tournament documentation, although the District Administrator must verify the age of all tournament participants by viewing the original birth certificate for each tournament participant prior to the start of the tournament.
